MESSAGE FROM GUEST OF HONOR

It gives me great pleasure and honor to know that NSS Bihar Chapter # 2 "LILLY" is establishing. I congratulate Bihar chapter President, Mr. Nitesh Kumar whose great efforts in the field of nursing is always remarkable. I hope this society will emerge with utmost honesty and devotion to uplift the nursing profession in all aspects i.e. education, research and practices. In the future era, nurses of Bihar will make a mark Nationally or Internationally in the field of nursing. Through this NSS Bihar chapter, budding nurses will be recognized.

Nurses are the backbone of the health sector, as they fiercely accept the dangers of unknown diseases and work towards saving the lives of hundreds! The job of a Nurse is especially incredibly tough during this era of pandemics. Every life is precious to them and they are never off duty from taking care of the sick and affected! I want to appreciate all the Nurses Nationwide who work day & night for the people in hospitals. Your dedication, commitment and courage deserve our deepest gratitude and admiration. Your service to patients is saving countless lives and making thousands of differences. It is the time, that we should acknowledge the heroes of our nurses community and extend our note of gratitude to them.

At last, Once again I would like to congratulate all the executive members of NSS Bihar chapter # 2 "LILLY" for their step taken to work for nurses of BIHAR.

Please meet our Chief guest

Dr. NEERJA SOOD ,

We all welcome you.

HISTORY OF NSS

The Nursing Scholar Society of India was established after the seed giver/founder Dr. Khanna spoke with the president PhD scholar Principal Binu Joe. He with his unwavering determination and enthusiasm took the responsibility to make this vision a reality and with the result he managed in such a short time to get the desired executive committee members in founders circle and regular members to meet the requirement of the registration in Rajkot HQ in Gujarat. The society was established and registered under the society registration act of Mumbai (F-3806)

OBJECTIVES OF NSS

1. The overall aim of the society is to encourage and recognize the scholarly skills of nurses in writing and speech or in community services. The nurses must be license holders starting from ANM to PhD from a variety of INC recognized programs. They shall be from all spheres of nursing profession such as education, clinical practice, administration, research, community service or midwives. These nurses must be trained in India, may be now residing abroad. The society shall include the global nursing professional members in an honorary member's capacity.
2. Form chapters in each state and a group of colleges.
3. Get affiliated with other national and international nursing societies.
4. Have scholarly paper study presentations.

Please meet our
guest of honor
