Sir/Madam,

Kindly Information to you that, It is observed, there are 1532 self-enrolled Nurses are awaiting for authentication purpose at BNRC, Patna. You are advice to return/reject the Nurses data with the comments "**The authentication can be done based on OTP linked with Aadhar after that you can make resubmit**".

Therefore INC in consultation with NIC and UIDAI has decided that authentication can be done by OTP on mobile linked with Aadhar number. This has made operational in a NRTS website and same has been made available operational for self-enrolling Nurses, SNRC (Suptd. Login)Nursing and Institutions/Colleges/Schools.

**Note:-Keep in Mind only permanent Registration is accepted.**
